Service approval number: SE-
00010764

Goals	Challenge of Practice	Success Criteria
To improve children's understanding of phonological awareness	If we implement a whole site consistent approach of evidence informed intentional teaching strategies/practices through purposeful play then we will improve children's understanding of phonological awareness.	We will see children : -Segment words into syllables -recognise, match and produce rhyme -identify and manipulate beginning sounds As evident by data gathered in TROLPA and observations each term to inform groupings of children for learning.

National Quality Framework Priorities	Key steps
Improve the sense of belonging through parent and family engagement in the learning.	Actioning the Preschool Family Engagement Timeline (separate document) Establish relationships
